The primary aim of the school is to ensure that all children are able to access all aspects of the school's provision in order to achieve the highest standards of achievement and the greatest possible progress in relation to children's individual starting points.

The Pupil Premium Grant (PPG) is funding provided to schools in addition to the main school funding. It is allocated according to the number of pupils on-roll who are eligible for Free School Meals (FSM), a smaller amount allocated according to the number of children from service families and an allocation for each pupil who has been 'Looked After' (in care) for 6 months or more. In 2012, funding was extended to include pupils who have been eligible for free school meals within the past 6 years.

It is for each school to decide how the PPG is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However, schools are to be held accountable for how they have used the additional funding to support pupils from low-income families. Since September 2012, this information must be published on the school website.

Please see below for information regarding how the PPG was spent in the last financial year, the impact of this funding, and the plans for future spending.

## Pupil Premium Grant Allocation 2018/19

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	365
Total number of pupils eligible for PPG	154
Amount of PPG received Service children PPG x 5	£1,320 per pupil £300 per pupil
<b>Total amount of PPG allocated</b>	<b>£210,180</b>

## Objectives for spending Pupil Premium Grant 2018/19

1. To narrow the gap in every year group in Reading, Writing and Maths between disadvantaged and non-disadvantaged and boys and girls (refer to year group milestones for SMART targets).
2. Raise attainment to meet and exceed national attainment averages and accelerate rates of progress for identified groups by addressing barriers to learning.
3. To support current Free School Meals (FSM) families to access a range of family support, extra-curricular activities and school events.
4. Support the mental health of vulnerable children.

## This year's expenditure of Pupil Premium Grant 2018/19

Nurture/lunch clubs – 6 hours per week x 2 staff.	£17,361
Free Breakfast Club for FSM children	£2,400
<b>Total</b>	<b>£210,180</b>

## **How we measure the impact of Pupil Premium Grant**

The school carries out regular assessments to track pupil attainment and progress. This information is used to monitor and evaluate the impact of PP and school funding. If your child takes part in an intervention programme we will measure how they are doing at the start of the programme, and the end so we can see the difference.

We will continue to use the funding this year to closely target PP pupils, who are not achieving expected levels of attainment or progress.

We will report to parents/carers at 'Family Learning Reviews', but if you would like any information on your child's progress please do not hesitate to talk to the class teacher at the end of the day to arrange a convenient time.

Your daily support with any homework, daily reading and number facts is always so important and does make a big difference to children's learning. Please talk to the class teacher about how you could help.

Look out for our 'Open Afternoons' and workshops where we will give you more information about how we teach your child and how you can help.

If you are not sure if your child could be entitled to Free School Meals (FSM) please speak to our school office team; they will be glad to help you or check on our website using our simple online application form.

## **The Pupil Premium Strategy will be reviewed in July 2019**
