Grove Street Primary & Nursery School Parent Teacher Association

January 2019

To all Parents/Carers

The Grove Street Primary School Parent/Teacher Association committee would like to wish you all a very Happy New Year.

As a result of the hard work of the committee and the invaluable support of the parents, staff and governors of the school all the events that were organised for last term were very successful and enjoyed by all.

These events take a great deal of organisation, time and effort and at present our committee is very small. We would welcome more parents/carers onto the committee to give us new ideas and help with events.

If you would like to join the committee or find out more about what is involved, please contact Emma Black.

Thank you for your continued support
