Dear Parents/Carers,

Coronavirus update

Following the news conference given by Boris Johnson, Prime Minister the advice has now changed regarding self-isolation.

He has advised that **if you or anyone else in your household is showing any one or all of the symptoms of COVID -19 then the entire household must self-isolate for 14 days.**

The symptoms are:

- A high temperature
- A new, continuous cough

You may also use the NHS 111 online coronavirus service if:

- o You feel you cannot cope with your symptoms at home
- o Your condition gets worse
- o Your symptoms do not get better after 7 days

Call NHS 111 if you cannot get help online

Please see the link below for self-isolation guidance – our staff are not able to provide any further medical advice, please refer to 111.

If your child was absent from school yesterday due to self-isolation, then following this new guidance any sibling must now self-isolate, along with the other people in the household for 14 days.

Thank you again for your support and patience in this unprecedented situation.

Kindest regards

Mrs L Walsh
Head Teacher
