Dear Parents / Carers,

I hope you are all keeping safe. You should have received lots of updates from School Spider about free learning resources and links. There is a huge variety on there now including: Full of Beans- keeping children active (it might tire them out too!); Read, Write Inc. virtual phonics lessons; practical learning around the home; online and audio stories. There are also lots of links to mental health support.

There was a lovely post on twitter that some children are creating scrapbooks of their time at home during the 'lockdown' using photographs, drawings, news clips and writing of their choice. This period of time will be part of future history lessons I'm sure and they could even be sharing their scrapbooks with their future children and grandchildren! Also, see images for other ideas.

My 11 year old is starting to struggle. Yesterday we walked the dog. I planned a route past houses of some of her friends and messaged the parents. As we went round they came to their windows / doors and had a quick chat. She has named it the "wave walk". Her smile is back 😊

We miss all the children and would love to see photos of what they've been up to, you can share these on DoJo and we can add them to our website and create a Grove Street scrapbook!

If you are entitled to free school meals you should have received a link to Wonde to access your shopping vouchers. The vouchers will continue over the Spring break and then, from Monday 20th April 2020 the Government scheme begins. Please sign up when you receive the link to ensure you can access the new vouchers.

We still want to support our families in any way we can (whilst maintaining social distance), if you feel you need more support for example food banks then please let us know.

Sending you all our love, be safe,

Mrs Walsh x

Head Teacher
