Dear Parents/Carers

A letter from Mike at Class Training Ltd

Most accidents are in the home and due to the amount of children at home at this time I have sourced a first aid course for parents whilst there is a small charge to cover our costs (£10) I have tried to keep the cost as low as possible.

The course can be completed on any computer, tablet or smartphone and you can return to the course at any time if you do not have time to complete it at one sitting. I would be grateful if you could pass this information to your parents and if you would like further information please contact me at mike@classtraining.org

The course covers:

Preparing for an Emergency Checklist The 3 P's First Aid Kits Infection Control Calling the Emergency Services DR. ABC CPR The Recovery Position Choking Drowning First Aid for Parents -Shock Allergies and Anaphylaxis External Bleeding Embedded Objects & Splinters Cuts and grazes Eye, Ear, Nose & Teeth Injuries & conditions Fractures & Dislocations Head Injuries Seizures & Epilepsy Electric Shock Burns & Scalds Poisoning Childhood Conditions & Illnesses

A comment from someone who has taken the course "Just a quick email to say thanks very much for advertising that course its an amazing thing to do i done it all last night and i passed"

Kind regards and stay safe
