

Covid-19 Tips for Staying Safe in School:

- No personal belongings (i.e. pencil cases, book bags, mobile phones, toys, hand sanitiser) to be brought into school, with the exception of a packed lunch which must be kept on the child's desk.
- If possible check your child's temperature before school.
- If your child is having a packed lunch please use a plastic bag that can be disposed of.
- If possible, send your child to school in shoes that do not have laces if they are unable to tie their own laces.
- All hand sanitising products will be provided by school.
- Long hair to be tied back.
- High-factor sun cream to be applied prior to arrival at school.
- Sun hat / cap to be worn on hot days.
- Bring your own water bottle from home.
- Wear sensible, comfortable own clothes that cover shoulders in heat and that can be washed easily each day.
- Please discuss the changes that will be in place in school with your child – it will be very different to their normal school routine.
- Please ensure you have familiarised yourself with drop-off and pick-up points and support us by not entering the school premises.
- Please ensure drop-off times are strictly kept to, to ensure a safe arrival and exit from school. Children will not be allowed into school after these times.
- If your child displays any symptoms of Covid-19, they will be isolated to keep them and others safe, whilst awaiting collection from school. You **must** then arrange for your child to be tested for Covid-19 and evidence of the result to be shared with school as soon as possible.
- If a child or member of staff in your child's bubble tests positive for Covid-19, you will be contacted and expected to follow guidance regarding isolation.
- Where possible walk or cycle to school.
