

## Guitar Lessons

Dear Parent/Carer,

Your child has the opportunity to learn the **Guitar** on a weekly basis with Class Sounds. We are a music tuition business situated in Liverpool, visiting many schools across the North West.

**Weekly group lessons will be starting on Mondays during school. The cost is £5 per half hour lesson and instruments are provided.**

Due to Covid-19, we will be adhering to the school's guidelines of social distancing during the sessions. Children will be kept in their year groups and the instruments provided will be sanitised before and after each session.

Every lesson is tailored to each group, packed full of musical games and activities making learning fun and engaging. At their first lesson children will be given a folder containing everything that was taught during the lesson, including material to help practise at home.
