4th January 2021

Dear Parents and Carers,

Please accept our apologies for the very late information regarding the return to school but we have been waiting for Government and Local Authority guidance. You will be aware of the growing number of COVID cases and the new variant being transmitted by children. School staff have been advised by their unions not to teach full classes at this time and many are taking that advice. Therefore we need to postpone the return of all pupils to school until we have a plan in place to teach the children safely. A program of blended learning (a mix of in school and online learning) will begin next week (Monday 11th) to ensure all children still have some time in school with their class teacher. School will not be open to all pupils on Tuesday 5th January. We will keep you informed of plans for the return of children next week. Provision will also be made for Free School Meals whilst the children are not in school.

We are sorry for the inconvenience this will cause you. Please encourage your child to engage with the online learning via Class Dojo.

To avoid the mixing of bubbles, we have taken the decision to close Breakfast Club and After-School Club until further notice.

If you are a key worker and your child needs a place in school from tomorrow (Tuesday 5th January), please provide the below information and return to the school at the following email: enquiries@grovestreet.wirral.sch.uk by 2pm today.

Yours faithfully

Lisa Walsh
